Product Description

The Netis ST106PDI-2-65 is a high-performance POE switch with 4×10/100Mbps POE ports and 2×10/100M uplink ports, perfect for small and medium networks. Featuring IEEE 802.3x Flow Control, 1.2G switching capacity, and a 2K MAC address table, it ensures stable, fast, and reliable network connectivity for your devices. Ideal for IP cameras, access points, and network expansion, this POE switch provides efficient power and data transmission in a compact design.
