## Product Description

Longse DMSAKL2RC 2MP Fisheye Hybrid Light IP Camera offers full 1080P HD surveillance with 1/2.8" Sony sensor and NOVATEK SOC. Equipped with smart IR + warm light, built-in mic, SD card slot, and advanced intrusion detection, it ensures reliable indoor and outdoor security. With IP67 and IK08 ratings, WDR, and 2.8mm F1.6 fisheye lens, this camera delivers wide-angle coverage and clear monitoring in all conditions.
