Product Description

The Tech Link ES-W3C Wireless 4D Optical Mouse offers precise and smooth tracking with 4D optical technology on multiple surfaces. Its ergonomic design reduces wrist strain for comfortable long hours of work or study. Enjoy wireless freedom with a stable 2.4GHz connection, adjustable DPI for customized cursor speed, and plug-and-play setup with no drivers required. Compact and lightweight, this mouse is ideal for laptops, desktops, and smart TVs, making the Tech Link ES-W3C a perfect choice for home, office, or travel use in Nepal.
