## Product Description

The Lexar® Professional Go Portable SSD with HUB offers 1TB of high-speed storage with read speeds up to 1050 MB/s and write speeds up to 1000 MB/s. Designed with a USB Type-C to USB 3.1 interface, this portable SSD ensures rapid data transfer for a variety of devices, including smartphones, laptops, tablets, and cameras. Built for durability, it features IP65 dust- and water-resistant protection and 1-meter anti-drop protection, making it ideal for on-the-go use. Its compact size delivers maximum capacity, while its compatibility with the iPhone 15 series, PC, Mac, and iPad makes it an essential tool for both personal and professional use.
