Product Description

PD-80ABEW Desktop Thermal Receipt Printer – High-speed 80mm POS printer with 250mm/s printing, multi-connectivity (USB, Wi-Fi, Bluetooth, Ethernet), and durable IP54 design, ideal for retail and restaurant use.

Silent Speed with Smart Temp Control

Print at 250mm/s with near-silent operation for a quiet workspace, backed by intelligent temperature management that prevents overheating during extended print jobs—ensuring fast, consistent, and durable performance.
