**Offer Price:** Rs. 700

**Original Price:** Rs. 1,000

### Attributes

## Product Description

Improve your workspace comfort and productivity with this durable and ergonomic Laptop Stand. Designed to elevate your laptop to an optimal viewing height, it helps reduce neck and back strain during long working, studying, or gaming sessions. The sturdy construction provides reliable support, while the open design promotes better airflow to keep your laptop cool and running efficiently.

Whether you're working from home, in the office, or on the go, this laptop stand offers a stable and convenient setup for laptops of various sizes. Its sleek and modern design complements any workspace while enhancing comfort and organization.

**1 x laptop stand**

**Key Features:**

- Ergonomic design for comfortable viewing angles
- Helps reduce neck, shoulder, and back strain
- Strong and stable construction
- Improved airflow for better laptop cooling

- Compatible with most laptops and notebooks
- Compact, lightweight, and easy to carry
- Ideal for home, office, study, and gaming use
