## Product Description

# Product Description

The **Acer Nitro Lite NL16-71G-555V Gaming Laptop** is designed for gamers, students, and professionals seeking reliable performance at an affordable price. Powered by the **13th Gen Intel® Core™ i5-13420H processor** and **NVIDIA® GeForce RTX 3050 6GB graphics**, it delivers smooth gameplay, fast multitasking, and efficient performance for content creation and everyday computing.

Featuring a **16-inch WUXGA (1920 × 1200) IPS display** with a **165Hz refresh rate**, the Nitro Lite provides sharp visuals, vibrant colors, and ultra-smooth gameplay for an immersive gaming experience. Equipped with **8GB DDR5 RAM** and a **512GB PCIe NVMe SSD**, it offers quick boot times, responsive performance, and ample storage for games, software, and files.

Pre-installed with **Windows 11** and backed by a **1-Year Official Warranty**, the Acer Nitro Lite NL16-71G-555V is an excellent choice for entry-level gamers, students, and creators looking for dependable performance and value.
