Product Description

Lenovo Slim 3 15IRH10R – Product Description

The **Lenovo Slim 3 15IRH10R** is a versatile and stylish laptop designed for everyday productivity, professional work, study, multitasking, and entertainment. Powered by the **Intel Core 5 210H processor**, it delivers responsive performance for demanding applications and daily computing tasks.

With **16GB RAM** and a fast **1TB SSD**, the laptop provides smooth multitasking, quick system startup, and plenty of storage for documents, software, media, and other files. The **15.3-inch WUXGA (1920 × 1200) IPS touchscreen** offers a spacious 16:10 viewing area with sharp and detailed visuals, while touch functionality provides a more convenient and interactive way to navigate and work.

The **FHD IR webcam** supports clear video calls and added convenience for compatible security features. The **backlit keyboard** makes typing comfortable in low-light environments, while the **Cosmic Blue** finish gives the laptop a modern and professional appearance.
