Product Description

Product Description

Experience immersive gaming with the Samsung Odyssey G5 G55C 31.5" Curved Gaming Monitor. Featuring QHD (2560 × 1440) resolution, a 165Hz refresh rate, and a 1ms MPRT response time, this monitor delivers smooth gameplay and sharp visuals. Its immersive 1000R curvature wraps around your field of vision, while HDR support enhances visual depth and contrast. With AMD FreeSync Premium Pro, enjoy smooth, tear-free gaming with reduced stuttering and screen tearing. Designed for gamers who demand performance and immersion, the Odyssey G5 G55C is an excellent choice for competitive gaming and entertainment.
