Product Description

Product Description

Enjoy an immersive viewing experience with the Samsung S3 S39GD 32" Curved Essential Monitor. Featuring Full HD (1920 × 1080) resolution and a smooth 100Hz refresh rate, this monitor delivers clear visuals and fluid motion for everyday computing, entertainment, and casual gaming. Its 1500R curved display enhances viewing immersion, while a 3000:1 contrast ratio provides deeper blacks and rich image details. With a 4ms response time and a sleek black design, the Samsung S3 S39GD is an excellent choice for home, office, and entertainment setups.
