Product Description

The Pantum BP5100DW Wireless Laser Printer is a high-speed mono printer built for professional home and office use. Delivering 40ppm (A4) / 42ppm (Letter) with 1200×1200 dpi high-resolution printing, it ensures crisp, sharp documents every time. Powered by an 800MHz processor with 512MB memory, this print-only laser printer handles large print jobs effortlessly, while USB, WiFi, and LAN connectivity offers flexible printing options. Featuring automatic duplex printing and a heavy-duty 80,000 pages monthly duty cycle, the BP5100DW is ideal for fast, reliable, and cost-efficient monochrome printing.
